#### Presentation

Andy Roberts (Planning Strategy Group) introduced the FCC Policy present and all participants introduced themselves. Andy Roberts went through briefly the purpose of the

first meeting of the KSF and sought clarification from participants that there were no concerns about the terms of reference for the Forum. A presentation then followed about the LDP based on the following headings:

- What is the LDP?
- Purpose of the LDP

## LDP-KPD-KSF2

- How does the LDP differ from the UDP?
- Decision making and the role of the Forum
- LDP key stages
- LDP programme and timetable
- Where are we up to?
- Candidate Sites
- Capacity to deliver the LDP
-

Table 2

- Objective 8 - Strengthen town centre roles as social hubs and service centres
- Objective 8 - Diversifying town centres
- Objective 4 could include opportunities / scope for community renewable energy projects

Table 3

- Emphasised the importance of links to other visions, strategies etc

Table 4

- Objective 1 - Considered it was unclear what constitutes 'communities'
- Objective 1 - Questioned phrase 'mix of services and facilities' – 'appropriate' might be better
- Should be more focus on 'regeneration'.

**Workshop 3 – Delivering Growth and Prosperity (issues and objectives)**

## LDP-KPD-KSF2

- Objective 13 – promote development which respects village ‘character’

Table 4

- 
- 

Considered ‘historic’ environment should be included in issues.

### **Closing remarks**

Andy Roberts closed the session and stressed that any additional comments / feedback from the workshops would be welcomed. He advised that notes of the meeting would be discussed by Council’s Planning Strategy Group before being placed on web and circulated to participants.
