Schedule to this Notice.

Reason for Proposal: Flintshire County Council has identified Ffordd Llewelyn, Flint as a location suitable for a zebra crossing facility. Flintshire County Council have been successful in obtaining funding to implement a crossing facility which will aid sustainable journeys to school. The facility will assist with safety concerns relating to access directly to the school as well as benefiting the wider community.

The usual prohibition of vehicles stopping, waiting, loading and unloading on the carriageway within the areas marked by Zig Zag lines on either side of the crossing will apply.
