Our stakeholders/partners are provided with information on all training courses across relevant qualifications, the All-Wales Induction Framework and those supporting continuous professional development.

This information is circulated by means of an annual training directory, (electronically) and via the Social Services Training database and Training Plan.

Additional training topics and further course dates are added throughout the year with information sent out via email as they become available. Applicants are notified of confirmation of their place(s) or when an application is unable to be approved.

The Directory and Training Plan are available on the Flintshire County Council website with details of all courses and how to apply, together with an external application form provided by <u>wdt@flintshire.gov.uk</u>

All courses are free to all stakeholders in Flintshire.
